# ARE YOU MY FOSTER MOM?

Little Bo, Fostered & Adopted

# PLEASE SAY YES!

# OUR SIMPLE FOSTER FAMILY PROGRAM SAVES LIVES THIS WAY:

Dogs and cats, who may otherwise be destroyed at an overcrowded shelter, are temporarily placed with you, their Foster Family, until a Forever Family is found.

YOU, THE FOSTER PARENT, ARE NEVER UNDER AN OBLIGATION! You may return your Foster Pet to us anytime, for any reason. You may foster a pet once a year or once a week!

*Three Handsome Littermates, Fostered and Adopted Into The Same Home!*

**All our pets receive a health check, vaccinations, deworming, and a temperament test before going to their Foster Home.**

*Bella, A Great, Big Goofy Angel, Fostered and Adopted!*

*Little Muffy, Safe at Last, Fostered and Adopted!*

We only ask that you give your foster pet food, shelter and love. Medical expenses, if any, are frequently paid by the shelter or rescue group. Or, you may be asked to contribute if you can. You can also take your Foster Pet to scheduled Pet Adoption Days, or a volunteer from the rescue group or shelter can do so.
